

JOB VACANCY

COSTING & INVENTORY MANAGER

Location: Dar es Salaam, Tanzania

Deadline: 2nd September 2025

Are you a finance professional with strong expertise in costing, inventory control, and SAP systems? Do you thrive in a fast-paced manufacturing environment where accuracy and collaboration are key?

We are looking for an experienced Costing & Inventory Manager to join our dynamic team at Said Salim Bakhresa & Co. Ltd.

Key Responsibilities

- Handle product costing in SAP and prepare accurate cost estimates
- Conduct month-end costing runs in SAP
- Prepare and issue product pricing estimates for customers
- Develop cost models to advise on pricing for existing and new SKUs
- Serve as Inventory Controller, ensuring accurate stock management
- Lead month-end and periodic stock take activities
- Work closely with production and sales teams to align costing, pricing, and inventory processes

What You'll need

- Qualified CPA/CMA with around 5 years of post-qualification experience
- Mandatory experience working in a mid-sized or large multinational company (MNC)
- Strong knowledge of product costing and inventory management
- Proficiency in SAP preferred
- Strong analytical, problem-solving, and reporting skills
- Ability to work cross-functionally with production, sales, and finance teams

You Bring

- A team-player mindset with strong collaboration skills
- High attention to detail and accuracy
- Ability to work under pressure and meet tight deadlines
- A proactive and solution-oriented approach

Why join us?

This is an excellent opportunity to be part of a reputable and growing organization. As a Costing & Inventory Manager, you will play a vital role in ensuring accurate costing, efficient inventory management, and data-driven product pricing decisions.

Interested candidates should send their CV to recruitment@bakhresa.com by 2nd September 2025.
