

# WE ARE HIRING

## FULL-TIME PSYCHOTHERAPIST

We are hiring a Psychotherapist to support our mental health programs. The role involves therapy sessions, outreach, training, and contributions to our digital mental health tools.

### Requirements

- Bachelor's degree in Psychology, Counselling, or related field
- At least 2 years' experience in psychotherapy or counselling
- Strong communication and facilitation skills
- Ability to work independently while closely collaborating with the Lead Psychotherapist.
