LOCATION:

Dar es Salaam, Head Office
Amani Place 3rd Floor

JOB PURPOSE

Chief Internal Auditor will oversee the bank's internal audit function, which involves evaluating and providing assurance on the effectiveness of governance, risk management, and internal controls. The CIA will manage the internal audit team, develop and implement the annual audit plan, and report their findings to senior management and the Board's Audit Committee to help reduce business and financial risks while enabling the bank to grow and reach new heights.

APPLICATION REQUIREMENTS

- Master's degree in finance or related field gained from a recognized higher learning institution.
- Accounting certification (Either CPA, ACCA or equivalent) is required. Membership of an auditing or accounting professional body is required. Information Systems Auditing Certification (CISA) is preferred.
- Minimum of 10 years' relevant audit experience.
- Proven track record of audit or accounting in banking or in an audit firm.
- Sound judgement and courage necessary to perform a control role and maintain effective working relationships.
- Strong analytical, problem solving and modelling skills. Excellent commercial orientation and business acumen.
- Detailed knowledge and understanding of wider Bank issues and policies. Enthusiastic with a high level of accountability and integrity.
- Strong interpersonal skills.
